3. Public Safety

a. NSI

J. Whyte updated that total crime was down 15.5% through May 2018. There were 12 fewer incidents compared to last year.

R. Betts stated that the City's Finest is below budget through the month of May2018.

4. Neighborhood Stabilization

Updates from Ron Coleman:

- Thank you for the four wheelchair signs. They have been installed at Sara & Boyle, Lindell & Forest Park
- Residents will be moving into 4101 Laclede Condo on July 1
- The construction at 4101 West Pine will start immediately after 4101 Laclede projects. The construction workers will park on the Schnucks lot on Lindell
- West Pine and Laclede alley drainage issue is being corrected and speed bumps are being installed and are paid for by the alderman
- The gates and brick wall at Laclede & Taylor has been damaged. Considering other options rather than the brick wall. Maybe tree planters as to not cause expensive repairs.
- Ron is advocating street paving for the blocks of 3900-4000 on West Pine
- The house at 4308 Laclede is still being reconstructed – no further updates
- There is a request for pedestrian street lights on West Pine down to Vandeventer
- Suggestion to replace the lollipops lights with new fixtures, LED Lights and the globes. He will look into costs for this project.
- Tower Grove is doing a \$10 million project to make a bike lane from Botanical Gardens to the Metro Link station

M. Michener asked about the Metro Ling stop being ready July 23. R. Coleman confirmed.

5. Approval of May Minutes

Motion was made by J. Miner to approve April 17, 2018 as amended with the adjustment to the Balance Sheet to fix the cash on hand total. Seconded by M. Michener. Motion passes 3-0-0.

Questions concerned on April's balance sheet to correctly reflect the \$107,408. The financials are correct, there needs to be an adjustment to remove the accrual for funds to show the expense has been paid.

6. Project Reports:

a. Financial Reports

Annette Pendilton gave the update on the financials as of May 2018. There is \$154,963.23 cash on hand and a total of \$262,371.23 in the savings and checking accounts combined. Total revenues year to date is \$253,429.11, total expenses year-to-date is \$106,547 leaving a net income of \$39,474.07. Please note in the financials in the revenue there is a line for "reserve for street lighting of \$107,408, was added so that net income wouldn't appear to be off because of the payment for the street lighting. The cash was held aside from previous year.

Annette Pendilton explained about the warnings that Reliance Bank has been sending. According to the Money Market account rules, there cannot be no more than six transactions per month. The money market account is being used as a general operating account to processes expenses. Annette Pendilton suggested that they open a regular checking account for general operations. Close the Busey Bank accounts and open a checking account at Reliance Bank and to only transfer from the Reliance Money Market account as needed to fund the checking account.

M. Michener motioned to have a resolution written to close account and move the balance from the two accounts at Busey Bank and open a checking account at Reliance to use as CWE Southeast SBD operations account. Y. Scoggin second the motion. Motion passes 3-0-0.

J. Miner would like for the financials to include the current month actuals along with year-to-date totals. Will also add a listing of bills paid in the month.

Annette Pendilton will look at statements and financials and send out via email a reconciliation of the CWE Southeast account.

b. 4400 West Pine Lighting:

Abdul Abdullah updated on the West Pine Lighting Project - the City has posted the Request For Proposal for bids on May 29, 2018. Bids are due in by June 26, 2018 and they will pick a vendor and voted for the lighting project on West Pine. Y. Scoggin ask that we make sure what was submitted from developer drawings is what the City will install. Abdul Abdullah will follow up on any updates and will make sure the SBD is getting what they are paying.

Annette Pendilton has reached out to City of St. Louis Assessors office to find out deadline to submit signed petitions. Shawn Ordway of St. Louis City Assessors office stated that we need to give 90 days for the approval process from City Hall. The deadline to have the complete process to collect funds by 2020, is September 1, 2019. All signed petitions should be turned in by March 1, 2019 to submit to the St. Louis Assessors office for them to start their process.

Abdul Abdullah stated this is a top priority and he will be helping get signatures. He thinks we should handle like a campaign. We will have three notaries and will be more active in getting signatures. Will also ask Alderman Roddy to help with getting the word out for signatures as well as helping set up some meetings.

July's meeting is to focus on different ways to get petitions signed.
